Announcement

European EMTP-ATP Users Group kindly invites you to attend the EEUG Meeting 2025. The two-day meeting/conference which will be followed by a one day EEUG course will be held from 29th September to 1st October 2025.

The EEUG e.V. promotes scientific and technical research in the field of electromagnetic transients in electrical power systems and coordinates distribution of ATP, the non-commercial Electromagnetic Transients Program (EMTP) in Europe.

Venue

The meeting will take place at Sofitel Lyon Bellecour, 20, Quai Gailleton, 69288 Lyon, France. Venue instructions:

From Lyon-Saint Exupéry Airport:

Take the Rhônexpress tram from the airport to Lyon Part-Dieu station (about 30 minutes). **From Lyon Part-Dieu**, you can take Metro Line B towards Jean Macé and then transfer to Line D towards Gare de Vaise, getting off at Bellecour station. The Sofitel is a short walk from there.

If you're arriving at **Lyon Perrache station**, you can take Metro Line A towards Vaulx-en-Velin La Soie and transfer at Bellecour station. For a map or more location details refer to <https://atp-emp.org/nextconf.php>

Preliminary Program

Tues Sept. 30 th	9:00 - 13:30	Technical Sessions
Tues Sept. 30 th	14:00 - 16:00	Members' Meeting
Wed Oct. 1 st	9:30 - 17:30	EEUG Course*

*Course details will be announced on the conference webpage

Technical sessions are open to all licensed ATP users. Preliminary registration will also be accepted from interested persons who are not yet ATP users. Please contact Prof. Hans Kristian Høidalen, EEUG Chairman, email: hans.hoidalen@ntnu.no for information on how to apply for the ATP license and/or become an EEUG member. Information about ATP licensing conditions is available at the web site <https://atp-emp.org/>. The Members' Meeting (EEUG members only) constitutes the

second part of the Meeting on Tuesday. Non-members may observe this meeting as guests, without voting rights.

Call for Papers

Contributions consist in a full conference paper and 20 minutes presentation during the technical sessions.

Scope

The European EMTP-ATP Conference seeks papers in all aspects of *power system transient* simulations using the ATP-EMTP program, including but not limited to:

- Solution methods and algorithms: verifications, comparisons.
- Development of new simulation tools.
- Development and implementation of new models:
- Circuit breakers and electric arc.
- HV AC and DC studies, transmission lines, cables, MV distribution systems, covered conductors.
- Transformers, reactors, electrical machines, wind generators and drives.
- Renewable energy sources, PV systems.
- Power Line Telecommunication systems.
- Power system studies and measurements:
- Switching surges, inrush transients, Ferro resonance.
- Lightning surges, insulation coordination.
- Harmonics and power quality.
- Very fast transients, EMC, EMP, LEMP
- Power electronics, SVC, FACTS and control.
- Power system protection, new algorithms.
- Using ATP-EMTP in power engineering education.

Paper Submission

Prospective authors are requested to submit a brief abstract (100 word maximum) in English, before May 16th, 2025 to the conference organizers e-mail address. Authors will be notified of their abstract acceptance by May 30th, 2025. Full manuscripts should arrive no later than August 29th, 2025 in MS-Word or PDF (preferred) format by e-mail to the same e-mail address. It is obligatory for the paper to be presented by one of the authors at the Conference.

Publication guidelines are provided at <https://atp-emp.org/nextconf.php>.

Note for EEUG Members

EEUG members are invited to submit in writing any important suggestions related with the EEUG Association, to the chairman Prof. Hans Kristian Høidalen, EEUG Chairman, email: hans.hoidalen@ntnu.no before July 29th, 2019. According to the Charter these suggestions will be included in the Agenda of the Members' Meeting.

Social Events

Delegates are cordially invited to enjoy the welcome reception which will take place on Sunday, September 28nd, from 19:00 at the Conference Hotel. The official dinner will be held on Monday, September 29th, 2025. The cost is included in the registration fees. Upon availability a short walk, and guided tour of remarkable Lyon location will be proposed to the participants. For more information, visit the conference webpage: <https://atp-emp.org/nextconf.php>

Registration

Early registration for the meeting is strongly recommended. Please fill in the registration form found on the webpage <https://atp-emp.org/nextconf.php> before **July 1st, 2025**. The registration form also includes short course sign up. Registrants will receive an e-mail for their confirmation.

For all correspondence regarding the EEUG you are kindly requested to use identification code "EEUG Conference 2025". The registration desk will be open on September 29th (Monday) at Sofitel Lyon Bellecour Hotel from 8:30 until 13:00.
